Explore the full potential of RISE with SAP for your business

RISE with SAP provides a comprehensive package of solutions, services, and tools to help your business transform its operations and become more resilient, agile, and innovative.

However, leveraging RISE with SAP to the fullest is determined by your company's specific needs and goals as well as it depends on your existing IT and organizational structure. From implementation to operations, RISE with SAP will require planning and balance of expertise and capabilities.

MS 4 RISE by NTT DATA Business Solutions

With our MS 4 RISE package your company can make the most of RISE with SAP and get ahead of the competition, while ensuring business continuity and maximizing the ROI.

Included services in the MS 4 RISE package are:

- **Customer Success Management**
- **Application Support and Optimization**
- **All-around Cloud Assistance**

Proven expertise – certified by SAP

Since the initial announcement of RISE with SAP in January 2021, NTT DATA Business Solutions has been a trusted partner guiding and supporting SAP customers on their cloud transformation journey.
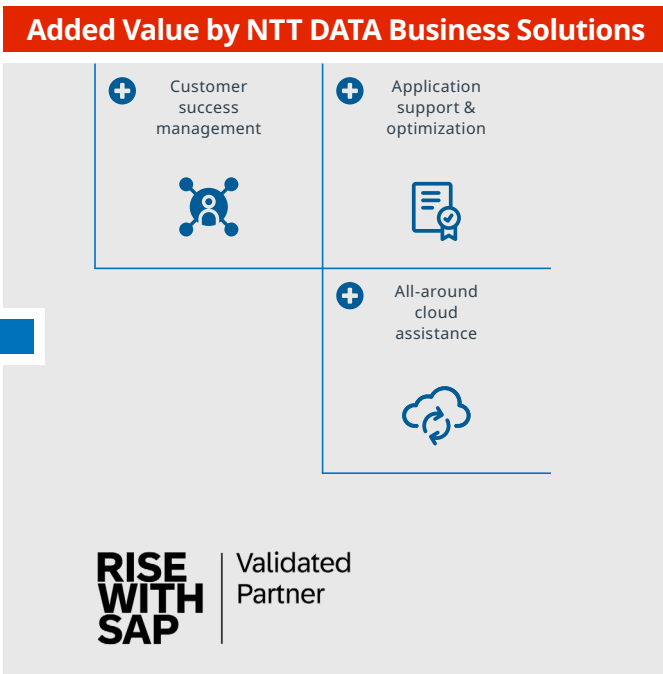

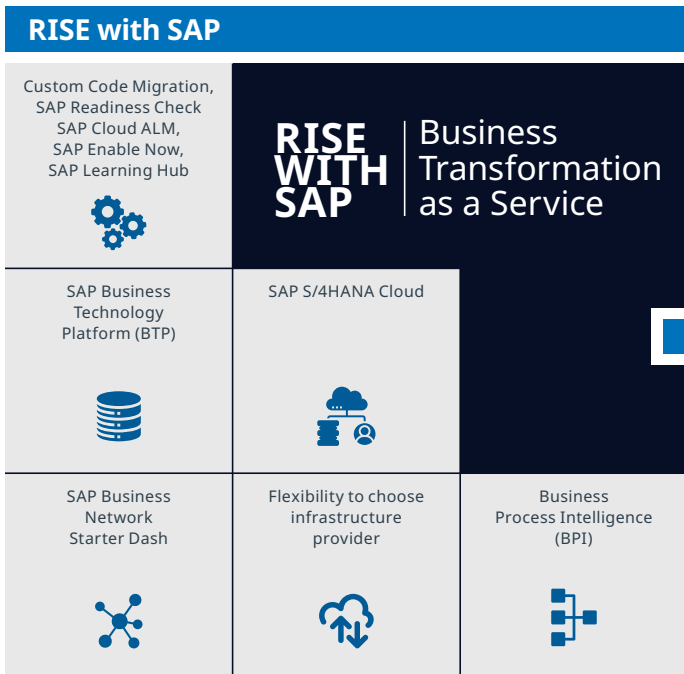

We are **SAP certified** in:

- Global SAP S/4HANA solutions operations and works with RISE with SAP
- Global SAP BTP operations and works with RISE with SAP

> NTT DATA Business Solutions is a recognized **RISE with SAP Validated Partner**, meeting elevated capability and experience criteria for the RISE with SAP offering and having proven experience in large enterprise engagements.
