

SAP SuccessFactors Packaged Solution

Achieve Optimal Value from Your Core HR Processes in the Cloud

Centralize.it

A New Approach to Core HR

The SAP SuccessFactors Employee Central packaged solution is the industry's only core HR solution that provides comprehensive, integrated core HR capabilities specifically designed for business execution.

Using our pre-configured content, you can accelerate your implementation timeline and achieve optimal time to value from your core HR processes in the cloud.

The Employee Central packaged solution – also known as Centralize.it -- is an enterprise-grade, core HR solution that provides support for any combination of business units, geographies or cost centers to model and manage any workforce. You can quickly implement any job structure without the need for coding, spreadsheets or offline processes. And it supports any pay structure, making it easy to vary pay by geography, job class, grade or legal entity as needed.

Of course, Centralize.it also facilitates reporting and industry compliance by making sure all user actions are saved and easily accessible through point-in-time reporting and easy audit trail reports.

Key Features

- Designed for people: intuitive and user-friendly, with anywhere, anytime secure access
- Enables strategic decisions: Real-time workforce data can increase the business impact of HR.
- Flexible: Configurable, extensible, and modular architecture to support your unique business needs.
- Scalable: Leverage existing on-premise investments and fully benefit from innovation delivered via cloud solutions.

Business Benefits

- Enables employees to leverage their talent, core HR and personal profile data
- Helps HR measure workforce business results and make decisions that impact financials.
- Enables enterprise-class, fast, and cost-effective integration with a cloud-based integration platform.
- Reduces errors in self-service and boosts adoption through innovations such as built-in wizards, smart business rules, org charts, inline comments, audit history and flexible workflows.
- Runs in the cloud as a pure SaaS-based solution with a lower total cost of ownership than on-premise solutions.
- Scales easily as business needs expand, while delivering constant innovation without disruption.

Rapid Deployment

What makes our packaged solution different? We deliver the SAP SuccessFactors Employee Central solution on a fixed implementation timeline and price.

You'll receive:

- Pre-configured best practice tools and content with flexibility to expand functionality in the future.
- An optimization workshop six months after launch to ensure that you're getting the best business value from your SAP SuccessFactors Employee Central solution.
