SAP SuccessFactors Packaged Solution

Manage Payroll In-House with All the Flexibility of the Cloud

Pay.it

A Proven Approach Based on the World's Leading Payroll Solution

The SAP SuccessFactors Employee Central Payroll for the United States packaged solution – also known as Pay.it – makes it possible for you to manage payroll in-house with all the flexibility of the cloud. Pay.it offers all the same features and benefits as the SAP on-premise solution, and is delivered with the security, scale and flexibility of the SAP SuccessFactors cloud.

Using a pre-configured baseline, the Pay.it solution allows you to start your implementation at an advanced point. Templates and business best practices enable you to establish end-to-end processes quickly and simply across Employee Central, Employee Central Payroll and post-payroll processing, off-cycle payroll processing and period end closing for Human Capital Management.

When you pick our payroll solution, you will accelerate your implementation timeline, reduce project duration and costs and start with a solid foundation that allows you to grow further as your specific needs change.
