

SAP SuccessFactors Packaged Solution

Streamline and Simplify Your Hiring Process

Recruit.it

Source, Engage and Hire the Best Talent

The SAP SuccessFactors Recruiting packaged solution – also known as Recruit.it – helps you source, engage and hire the best talent with line-of-sight analytics to provide guidance along the entire process – from sourcing and candidate experience to applicant and offer management.

Recruit.it uses business best practices to streamline and simplify your hiring process.

Fill positions faster by reducing hiring manager and recruiter approval wait times during the requisition through offer process.

Get at the best-fit candidates quickly by simplifying candidate management and moving them through the applicant process efficiently.

Take the complexities and ambiguity out of interviewing by managing the entire interview process, from scheduling to feedback, with data-driven candidate ranking.

Gain visibility into what roles are being filled quickly, and which take more time, through detailed candidate management reporting that helps you adjust your candidate pipeline strategies to drive better hiring in less time.

Recruit.it uses an intuitive and modern user interface to streamline your recruiting process through requisitions management, candidate management, and interview and offer management. And, if you use the SAP SuccessFactors Onboarding and/or Employee Central solution for your core HR processes, you can easily integrate the transition of candidates to new hires.
